To Whom it may concern:

Brian Knaff and Talent Buyers Network has been in business for 35 or 36 years this year. I'm not sure a lot of companies have that kind of a track record. There is a reason for it. They do good business, have great inside contacts in the concert and casino business and we all trust them. They can book any act on all of our rosters from any of our offices and they can speak with any agent as well. Everybody knows them and respects them. In fact, a lot of us agents have worked in one or more of their offices.

Brian Knaff himself mentored many of the most powerful agents in our business and a lot of times it's who you know that makes the difference.

I personally know Brian very well and highly recommend him and Talent Buyers Network.

Sincerely,

James Yelich
